Public Finance, Taxation, and Tariff

Essays in Taxation. By EDWIN R. A. SELIGMAN. Eighth edition, completely revised and enlarged. (New York: The Macmillan Company. 1913. Pp. xi, 707. \$4.00.)

Seligman's *Essays in Taxation* has for long occupied so important a place among American works on the subject that it is a pleasure to welcome a new edition. First published in 1895, certain parts had gradually lost their usefulness in the face of the rapid progress which the past eighteen years have seen in the theory and practice of taxation. The book is now thoroughly revised and brought down to date and again deserves its place as probably the most valuable single American book on taxation. Professor Seligman excels, as always, in his careful analysis of laws and movements and in his exhaustive summaries of the world's
